

WellPak[®] Male & WellPak[®] Female

The Perfect Combinations For Optimum Health

Meeting the nutritional challenge

Men and women today are doing everything they can to look and feel their best. Unsure of the nutrition they're getting from the food they eat, people are turning to supplements to get the nutrients they need. At Starlight, we have developed two collections of products specifically designed to help men and women. Each comes in a convenient 30-day supply.

Both collections contain these two state-of-the-art supplements:

- StarPac[®] Daily Essential Nutrient Complex – Gives men and women the vitamins and minerals that may be missing from their diets.
- LIFEGuard[®] Advanced Antioxidant Therapy – A powerful antioxidant formula that protects the body from its destructive internal enemies – free radicals.*

WellPak Female also includes:

- Psycles[®] Female Nutrient Support System – to help a woman feel her best every day of the month.

WellPak Male also includes:

- Taurus[®] Male Nutrient Complex – which works to feed the organs and systems responsible for strength and virility.

*These results are not typical and not everyone will experience these results.
