

IDEAS®

For A Better Frame Of Mind®*

Stress And Tension, How Do You Cope?

When your mind is beset with stress and nervous tension, memory gaps may occur. Sleep can be interrupted. Poor concentration, lack of focus, and poor judgment can plague your work. And, to make matters worse, concern is mounting over the inappropriate and excessive reliance on prescription drugs to counteract these negative feelings.

IDEAS is a simple, natural solution for a common problem

- A revolutionary product that's a synergistic blend of natural herbs to help reduce tension and anxiety and enhance mood, while still giving you the ability to function at your optimal level.*
- Eases feelings of nervousness, reduces tension, sharpens mental focus and improves memory.*
- Goes well beyond the one-ingredient St. John's Wort products on the market.
